HEAD ROUND TO THE LEFT OF THE BUILDING TO SEE THE ORIGINAL ENTRANCE & MEMORIAL PLAQUE

CAVENDISH HALL

RUN TIME: 11 mins 23 secs

Please note that the field is used for sports games, school activities and more so take care when crossing over to the car park.

Don't forget your headphones! We recommend over-heads rather than in-ear for a full experience.

Walking Stories are highly immersive experiences but please remember that cars and gravity are both real; take extra care on roads and crossings.
